25X1A

1. This memorandum is to cover cargo moved from [] to [] 15 May 1963, per telephonic request between []

2. Request for truck transportation in lieu of commercial means was due to:

A. Urgent requirement for material at destination.

B. In order to ship commercial, material would have required overpacking due to its nature, thereby causing a delay in shipping.

C. Due to the total cube, cost of overpacking, and urgency of requirement at destination, it was deemed both desirable and economical to the Government to ship via Agency truck.
